

To start off, gather your materials.

- Scrapbook paper or card stock
- Scissors
- [Small giggly eyes](#)
- Elmer's glue
- Marker
- Small 2-3" circle/lid (I used a bubble lid)
- Pencil

Grab your small circle lid. Using a pencil, trace your circle lid onto a couple pieces of scrap book paper so you have 5 circles per bookworm. You can choose to color code them, make a rainbow, or use any colors and patterns you want! Cut out the circles with scissors.

Using your glue, glue the circles together in a wavy line, as shown.

Glue two googly eyes onto the circle farthest right and draw a smiley face (or other funny face!) underneath. Let it dry for a few hours, and ta-da, you have a beautiful bookworm bookmark!
