

THE LIVE SIMPLY FRUIT AND VEGGIE BINGO GAME

FOR PLAYERS 3-5

1. Cut out the fruit and veggie cards on this page and put them face-down in a pile.
2. Cut out the 4 BINGO boards on pages 2 and 3.
3. Pass out a handful of buttons or beans to each player. Place one button or bean on each of the 3 FREE spaces.
4. One person will be the "Farmer." They will choose one card at a time and call out the veggie or fruit.
5. Each player places a button or bean on that veggie or fruit. The farmer continues calling out cards until one player gets 5 in a row across, up, down or diagonally. The player must shout "BINGO" to win!
6. Add a delicious twist: Offer a few samples of the fruits and veggies. When the item is called, the players may sample the fruit or veggie.
